

REMARKS

During preparation of an Appeal Brief for the present application, Applicants noted possible confusion with respect to the term "the control pulse" in claims 5 and 6. Specifically, "the control pulse" is not referred to in independent claim 1 but is referred to in dependent claims 5 and 6. It is believed this possible confusion occurred when the multiple dependencies of the Finnish application, from which the present application claims priority, were removed in an amendment dated June 10, 2005. To clear up this possible confusion, Applicants have amended dependent claims 5 and 6 to depend from claim 4, which uses the term "a control pulse".
